## Principal's Message

Education liberates people from the darkness of ignorance or Avidya. A College imparts education to the young and energetic group of the society. Collegiate education must be based on our traditional value and cultural heritage. The aim of education is to make the students useful for the society by imparting knowledge. Sonari College fraternity is trying to assure quality education towards its learners providing knowledge and other facilities for all round development. For, it is believed that "No knowledge without College". We invite those students who are eager to learn and whose parents and guardians support us in providing quality higher education. Our hardworking faculty members are engaged in the improvement of teaching-learning and evaluation process together with other extension activities. We are in the way of excellency in higher education but far away from the sea. I am hopeful about future to come and agree with P. B. Shelly "If winter comes can spring be far behind?"

*Dr. Bimal Chandra Gogoi*

Principal  
Sonari College

## **The Voice of the Vice Principal**

A good educational Institution, as defined in the National Education Policy 2020, is one in which every student feels welcomed and cared for, where a safe and stimulating learning environment exists, where a wide range of learning experiences are offered and where good physical infrastructure and appropriate resources conducive to learning are available to all students. Notwithstanding some infrastructural problems, Sonari College, which came into being 1970, has spared no efforts to provide a congenial academic ambience for each and every student. The teachers, who are always at the heart of the education system, are irrevocably committed to producing good human being enriched with the attributes of resilience, empathy, scientific temper, creative and problem-solving skills and ethical values. The college fraternity warmly welcomes the recommendations of National Education Policy 2020 which overhauls the structural pattern of the entire education system, brings about far-reaching curricular and pedagogical reforms and focuses on flexible, experimental, holistic, multidisciplinary, inquiry-driven, discovery-oriented, discussion-based, learner-centric learning to build an equitable and vibrant knowledge society. To acclimatize itself with the changes and demands of time, the college is now prepared for transforming into a multidisciplinary institution and proposes to form a cluster with the neighbouring colleges in order to make learning more enjoyable and to turn out more productive and contributing citizens.

Dr. Sunil Dutta  
Vice-Principal  
Sonari College

## **Section I : INTRODUCTION**

### **About the College**

The Sonari College, located at Sonari Town, is a leading educational institution in the Charaideo Sub-division under Charaideo District. It has been imparting education in the Arts stream since its inception on the 5th of August, 1970. With the initiation of the Science stream in 1984, the institution has provided an enormous impetus to fulfilling the long-felt needs of the students of this vast locality. The college offers Major/Honours programmes in five faculties incorporating eleven disciplines. The college makes all possible efforts to cope with the growing needs of higher education and include additional subjects in line with the National Education Policy (NEP), 2020. The academic achievements of the students of the college are praiseworthy as reflected in their academic performance and in the educational benchmarks attained by them. The overall percentage of student progression into various fields is also impressive. Students have also been consistently performing well in sports and co-curricular activities in the institutional, district, state and national levels. The distinguished faculty members of the college are always keen to guide and encourage students with zeal and dedication. The institution has adopted a well rounded Mentorship Program to provide proper guidance in all spheres to the students. The institution is committed to continue to render its faithful services to the evolving society to which it is ever accountable. The College has secured B Grade in NAAC Accreditation and strives to improve its performance in future. The institution proposes to form a Cluster with Sonari Commerce College, Borhat B.P.B. Memorial College and Sapekhati College as per the New UGC Guidelines in conformity with the DHE order no. DHE/OSD/Misc/2023/12 dtd. 29<sup>th</sup> March, 2023. Now, the College is in the process of transforming itself into a Multi-disciplinary Institute in order to address the challenges of the twenty- first century.
